"Fagged Out Women"

WILL FIND A HELPFUL SUGGESTION IN THIS LETTER

Overworked, run down, "fagged out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion."

"One of my friends advised me to take Vinol and it has done me great good. The tired, worn-out feeling is all gone and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not we give back your money. Miners Drug Store, Inc., Tonopah, Nevada. 54-adv.

Getting Gray? Use Sage Tea To Restore Natural Color Of Hair

SAYS SAGE AND SULPHUR DARKENS HAIR BEAUTIFULLY AND ENDS DANDRUFF

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless is caused by a lack of sulphur in the hair, says a well known local pharmacist. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful and even today this simple preparation has no equal. Millions of women and men too, who value that even color, that beautiful dark shade of hair which is so attractive use only Sage Tea and Sulphur.

Nowadays we are not bothered with the task of gathering the sage leaves and the messy mixing at home. Simply ask at any drug store for a 50 cent bottle of the ready to use

preparation, called "Wyeth's Sage and Sulphur Hair Remedy." Customers like this best because it darkens so naturally; so evenly, that nobody can possibly tell it has been applied. Besides, it contains ingredients which take off dandruff, stop scalp itching and falling hair. No, it isn't a dye or even like it. You justampen a sponge or soft brush with "Wyeth's Sage and Sulphur" and draw it through your hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two it is restored to its natural color.

What delights the ladies with Wyeth's Sage and Sulphur is that besides beautifully darkening the hair they say it brings back the gloss and lustre and gives it an appearance of abundance.

AMERICAN YOEMEN OBSERVE ANNIVERSARY

Last Friday evening, February 28, the Knights of Columbus hall was the scene of a festive gathering, it being the sixteenth anniversary of the Brotherhood of American Yoemen. This popular young order was well represented, the dancing floor being taxed to its utmost capacity.

Card playing was also a feature of the entertainment. A delicious luncheon was served promptly at 12 and soon after the guests reluctantly departed voting the Yoemen royal entertainers.

As only news of real value-giving makes good store advertising, it follows that a store must be able to print such news, in abundance, if its advertising is to accomplish anything.

RICHEST LEAD ORE FROM NEVADA

About the highest grade lead ore that reaches the Salt Lake smelters is that produced by the Lead King property of White Pine county, Nevada, an enterprise owned and operated by well known Utah interests, says the Salt Lake Tribune. This company has just sold another car of rich lead ore of 23 tons, the ore assaying 95.55 per cent lead and three ounces silver. This ore misses by a very small fraction of equaling the last shipment which ran 70 per cent lead.

AMUSEMENTS

Butler Theater.

At the Butler theater this afternoon and evening a very fine program of pictures will be shown as follows: "The Usurer," a Kalem drama; "Alkali Ike in Jayville," Essanay comedy; an Edison drama entitled "The Maid of Honor," in which the bridegroom and maid of honor meet only to find that they are old lovers. The old passion reawakens, but they are saved from their intended elopement by the realization of the bride's devotion to the man she is to wed; and a Vitagraph feature entitled "The Wings of a Moth." Our minds are ever on the protection of the young and experienced. There is a powerful warning in this beautiful picture. It is a lesson of a good mother, calling her daughter's attention to the dangers to which she is exposed. The glittering temptations of life attract the young as the brilliant flame draws the foolish moth to its doom. It is all told in a manner never to be forgotten. "The Wings of a Moth" will make the strongest kind of impression on those who attend. Every seat should be filled by old and young. It is a lesson we should all heed. Thursday, Pathe Weekly.
